**INNOLOG to provide AOR Readiness Services
for TACOM OMNIBUS III Task Order**

(McLean, VA) – Innovative Logistics Techniques, Inc. (INNOLOG) is proud to announce their recent PEO CS&CSS AOR Readiness Services award. This is a two year contract to provide program management, program analyst and administrative support services to manage and facilitate all aspects of Operational Readiness associated with Southwest Asia (SWA) Deployments for the Program Executive Office Combat Support & Combat Service Support (PEO CS & CSS) and Program Management Offices. Providing this support will require significant coordination activities with the TACOM Operations Center (TOC), Army Materiel Command (AMC), Department of the Army (DA) and other Government Agencies. INNOLOG's subcontractor, PD Systems, will play a major role on this contract with work performed at the U.S. Army's TACOM location in Warren, Michigan.

"We are extremely proud of this opportunity to again provide support to the PEO CS & CSS," says Verle B. Hammond, INNOLOG President and CEO. "Our subcontractor, PD Systems, continues to play a key role in INNOLOG's success under the TACOM Omnibus III contract in Warren, Michigan".

About INNOLOG

INNOLOG is a leading integrator of logistics systems for homeland security, defense and state and local government agencies. INNOLOG provides proven logistics management processes and technology to ensure the secure end-to-end deployment of precisely the

right mission critical materiel and personnel to the right location at the right time. Customers include the U.S. Army, U.S Navy, Department of State, Transportation Security Administration, and other defense and civilian agencies in federal, state, and local government. INNOLOG's senior management team has a diverse background in management, logistics and technology. INNOLOG, founded in 1989, is privately held, has several locations worldwide, and has an impressive record of performance and growth as a successful ISO 9001: 2000 Certified, Service-Disabled Veteran Owned Small Business. Headquartered in McLean, Virginia, INNOLOG can be found on the Web at www.INNOLOG.com.
