INNOLOG to provide Technical Support for TACOM OMNIBUS III Task Order

(McLean, VA) – Innovative Logistics Techniques, Inc. (INNOLOG) is proud to announce that TACOM (full name of customer goes here) has awarded INNOLOG a (number of years goes here) year contract to provide technical support to the PM, Petroleum and Water Systems (PAWS). INNOLOG's subcontractor, PD Systems, will play a key role supporting the customer under this awarded task. Task support includes the development of a prototype kit and procedures to evacuate fuel, clean collapsible fabric fuel tanks, test portable berm prototypes, test and evaluate semi-permanent above ground storage tank prototypes, and develop, test, and evaluate gauging equipment. This task order will require OCONUS support in Kuwait.

"This is a great task order award" says Verle B. Hammond, President and CEO. "The TACOM OMNIBUS III Blanket Purchase Agreement is an excellent IDIQ contract vehicle under which we have the potential of winning a significant amount of new business. I also want to give credit to our subcontractor, PD Systems, for the critical role they played in making this win possible."
