INNOLOG to provide multiple services for the U.S. Navy

(McLean, VA) – Innovative Logistics Techniques, Inc (INNOLOG) is proud to announce the U.S. Navy has awarded INNOLOG and multiple contractors indefinite-delivery/indefinite-quantity multiple award contracts. These contracts will provide for contractor competition for service requirements solicited by Naval Sea Systems Command, Naval Air Systems Command, Space and Naval Warfare Systems Command, Naval Supply Systems Command, Military Sealift Command, Naval Facilities Engineering Command, Strategic Systems Programs, Office of Naval Research, Defense Threat Reduction Agency and the United States Marine Corps. There are 22 functional service areas within the scope of the contracts. The government estimates a maximum of \$5,300,000,000 of services will be procured per year via orders issued under the SeaPort-e multiple award contracts. The awards have a one-year base period with one five-year award term and one additional four-year award term.

"This is a great contract award" says Verle B. Hammond, President and CEO. "It enables us to broaden our reach with the U.S. Navy and it gives INNOLOG the ability to provide our full range of services to Navy agencies and commands."

About INNOLOG

INNOLOG is a leading integrator of logistics systems for homeland security, defense and state and local government agencies. INNOLOG provides proven logistics management processes and technology to ensure the secure end-to-end deployment of precisely the right mission critical materiel and personnel to the right location at the right time. Customers include the U.S. Army, U.S Navy, Department of State, Transportation Security Administration, and other defense and civilian agencies in federal, state, and local

government. INNOLOG's senior management team has a diverse background in management, logistics and technology and includes several retired high-ranking Army, Navy and Coast Guard officers with a combined 150 years of military logistics management experience. INNOLOG, founded in 1989, is privately held, has several locations worldwide, and has an impressive record of performance and growth as a successful minority business enterprise. Headquartered in McLean, Virginia, INNOLOG can be found on the Web at www.INNOLOG.com.
