INNOLOG to provide multiple services for PEO-CS&CSS at TACOM

(McLean, VA) – Innovative Logistics Techniques, Inc (INNOLOG) is proud to announce the Program Executive Office for Combat Services & Combat Service Systems (PEO-CS&CSS) at TACOM has awarded INNOLOG one of eight TACOM OMNIBUS III BPA's to provide program/project management, product assurance and test, and technical, engineering, and logistics services. The period of performance will be five years.

The purpose of this effort is to provide the PEO-CS&CSS organization and its assigned Project, Product and Program Managers the services required for the successful execution of their system acquisition mission.

“This is an especially rewarding contract win to me because of my many years of service, as an active duty Army Officer, with the U.S. Army Materiel Command and its subordinate commands such as TACOM,” says Verle B. Hammond, President and CEO. “I am keenly aware of the critical role played by the PEO-CS & CSS in providing combat support and combat service support systems to the warfighter. The INNOLOG team is looking forward to the opportunity to work in partnership with TACOM under this BPA.”

About INNOLOG

INNOLOG is a leading integrator of logistics systems for homeland security, defense and state and local government agencies. INNOLOG provides proven logistics management processes and technology to ensure the secure end-to-end deployment of precisely the right mission critical materiel and personnel to the right location at the right time.

Customers include the U.S. Army, U.S Navy, Department of State, Transportation Security Administration, and other defense and civilian agencies in federal, state, and local government. INNOLOG's senior management team has a diverse background in management, logistics and technology and includes several retired high-ranking Army,

Navy and Coast Guard officers with a combined 150 years of military logistics management experience. INNOLOG, founded in 1989, is privately held, has several locations worldwide, and has an impressive record of performance and growth as a successful minority business enterprise. Headquartered in McLean, Virginia, INNOLOG can be found on the Web at www.INNOLOG.com.
