**CEO OF INNOLOG
TO BE INDUCTED INTO FSU
COLLEGE OF BUSINESS
HALL OF FAME**

(McLean, VA) - Mr. Verle B. Hammond, President, CEO and founder of Innovative Logistics Techniques, will be formally inducted into the Florida State University (FSU), College of Business; Hall of Fame on April 8, 2006. Hammond's phenomenal achievement as a military officer, entrepreneur, and mentor embodies the qualities that make the College of Business at FSU an extraordinary place to learn and grow. Hammond received his MBA in operations research and systems analysis from the College of Business in the early 70s. The Hall of Fame award began in 2003 and has recognized many very successful leaders who graduated from FSU's College of Business. Among these are executives from Sunkist, General Electric, and Bank of America. Receiving the Hall of Fame induction along with Mr. Hammond will be the President and CEO of Welch's and the Chairman and CEO of CNL Financial Group, Inc. Dean Caryn L. Beck-Dudley and the FSU College of Business Alumni Advisory Board will host the Hall of Fame Dinner and Ceremony on April 8, 2006, at Florida State University; Miller Hall; Tallahassee, Florida

About INNOLOG

INNOLOG is a leading integrator of logistics systems for homeland security, defense and state and local government agencies. INNOLOG provides proven logistics management processes and technology to ensure the secure end-to-end deployment of precisely the right mission critical materiel and personnel to the right location at the right time.

Customers include the U.S. Army, U.S. Air Force, U.S Navy, Transportation Security Administration, and numerous other defense and civilian agencies in federal, state, and local government. INNOLOG's senior management team has a diverse background in management, logistics and technology and includes several retired high-ranking Army, Air Force and Coast Guard officers with a combined 150 years of military logistics management experience. INNOLOG, founded in 1989, is privately held, has several locations worldwide, and has an impressive record of performance and growth as a successful minority business enterprise. Headquartered in McLean, Virginia, INNOLOG can be found on the Web at www.INNOLOG.com.
