**CEO OF INNOLOG
RECEIVES LIFETIME ACHIEVEMENT AWARD**

(McLean, VA) - Mr. Verle B. Hammond, president, CEO and founder of Innovative Logistics Techniques, Inc. received a 2005 Lifetime Achievement Award from the Parren J. Mitchell Foundation. Parren Mitchell is the former U.S. Congressman from Maryland who for more than three decades led efforts to open up opportunities for African Americans and other minorities seeking to do business with the government.

Mr. Hammond was presented the Lifetime Achievement Award on October 13, 2005, at a gala held at Martin's Crosswinds, Greenbelt Md. The theme of this year's event was Against All Odds: "Overcoming Obstacles, Celebrating Achievements". "In receiving this very prestigious award, I know that much of it has to do with the high esteem in which the entire community holds our company INNOLOG. We have a grand, glorious, and much admired past; and an even brighter future", says Mr. Hammond. Keynote speakers at this year's event included the Honorable Parren J. Mitchell and Kweisi Mfume, NAACP, Chief Executive Officer. Family, friends and INNOLOG staff were also present to pay homage to a living legacy and well-respected leader.

About INNOLOG

INNOLOG is a leading integrator of logistics systems for homeland security, defense and state and local government agencies. INNOLOG provides proven logistics management processes and technology to ensure the secure end-to-end deployment of precisely the right mission critical materiel and personnel to the right location at the right time.

Customers include the U.S. Army, U.S. Air Force, U.S Navy, Transportation Security Administration, and numerous other defense and civilian agencies in federal, state, and

local government. INNOLOG's senior management team has a diverse background in management, logistics and technology and includes several retired high-ranking Army, Air Force and Coast Guard officers with a combined 150 years of military logistics management experience. INNOLOG, founded in 1989, is privately held, has several locations worldwide, and has an impressive record of performance and growth as a successful minority business enterprise. Headquartered in McLean, Virginia, INNOLOG can be found on the Web at www.INNOLOG.com.
